

COOP STARTS SERVING EVENING MEALS TONIGHT

Beginning tonight the Spartan Shop will be open from 5:30 until 10 p.m., it was announced by Miss Ada Gardner, manager.

The Spartan Shop will serve regular plate dinners and ala carte specials; the hamburger and coke bar will be open, and special student dinners will be served.

"We will remain open until 10 every evening except Friday," states Miss Gardner. "On Fridays we will close at 8 p.m."

Miss Gardner gave an example of one of the features which will be sold by the Spartan Shop. The 75 cent student dinner tonight will include choice of soup or salad, baked ham and pineapple, potatoes, one other vegetable, rolls and butter, dessert and coffee.

The salad-sandwich combinations, which have been part of the luncheon menus, will also appear on the evening bill of fare.

The hamburger bar will feature chip steak sandwiches, cokes, hamburgers and hot dogs.

"It is our purpose and desire to aid the students who have to eat out every night in solving their food problems by providing wholesome, nourishing meals at reasonable prices," Miss Gardner concludes.

State Students Back From Chico

Attending the recent Province Workshop convention at Richardson Springs hotel, Chico, were representatives from Eta Epsilon and Delta Nu Theta, San Jose State college home economics' organizations.

The delegation consisted of Gayl Quinn, vice-president of the workshop and president of Eta Epsilon, Maxine Gillson, Ollie Nell, Rebecca Schwitzer, and Miss Gladys Nevenzel, faculty adviser. Miss Quinn presided in a round table discussion, "Home Economics and Its Place in World Peace."

Delegates from 12 colleges attended the Province Workshop convention of Northern California and Nevada.

Next year's Workshop delegation will be guests of Fresno State college. The convention will be held at Yosemite National park.

SENIOR WEEK DISCUSSED

Senior week activities were discussed at the first meeting of senior orientation Thursday, under the leadership of George Milias, class president.

Betty Menderhausen, senior ball chairman, announced June 14 as the date of the senior ball, which will be held at the Palace Hotel in San Francisco. Bids will go on sale only to graduating seniors until two days before the affair when bids will be sold to non-graduating seniors and juniors, according to Miss Menderhausen. Bids will be \$3.75 plus tax.

Senior banquet was announced for June 19 by Banquet Chairman Nancy Flaunt. "It will be a semi-formal affair and seniors will be allowed to bring their wives, husbands or fiancées," said Mrs. Flaunt.

VETERAN INCREASE

Of the 5484 students registered so far, 53 per cent are veterans, declared Joe H. West, yesterday. "This marks an increase of approximately 175 vets over last quarter," he said.

"Enrollment is holding up better than before the war," West continued. "There has been a slight drop compared to the total enrollment of last quarter," the registrar said.

Deadline Extended For Spardi Gras Concession Space

Deadline for making requests for concessions and space for Spardi Gras has been extended until noon on Friday, April 11, according to Jack Reiserer, head of the concessions committee.

Reiserer requested that all organizations or groups intending to operate a concession on Spardi Gras day become acquainted with the rules set up by the concessions committee. He also said that all letters to the committee concerning concessions should contain the name of the organization making the request, the type of concession and space desired, and the name, address and telephone number of the person in charge of securing the concession.

Spardi Gras committee chairman, Doug Morrison, announced that a meeting of the committee has been called for 1:30 p.m. tomorrow.

Sal Millan, Spardi Gras publicity director, made a request that all campaign managers for the queen contest meet with him to discuss their publicity plans.

DR. MORTON TO SPEAK

Medical Education will be the topic discussed by Dr. V. Morton, former San Jose State college student, at a meeting of the on-campus Pre-medical society in room S210 tomorrow evening at 7:45, according to Dr. Ralph J. Smith, society adviser.

Dr. Morton, who is now a San Jose physician, received his medical degree at McGill University, Canada, and specialized in internal medicine at Mayo Brothers clinic in Rochester, Minnesota.

Dr. Smith stated that all students interested in the medical aspects of science are invited to attend the meeting. He expressed hope that all pre-medical students would make it a point to attend, and thus profit from the wealth of medical information that Dr. Morton is prepared to offer.

This talk is the first of six being planned by the college pre-medical society for presentation this quarter.

Jayvees Lose Two To Salinas JC

Salinas J. C. took a twin bill from the Junior Varsity baseball team Saturday at Salinas. Score of the first game was 12-8 and the Panthers won the nightcap by 8-7. The Jayvees will play San Jose high on Tuesday. Coach Angie Colombo's team now have a record of one victory and four defeats. Santos and Benito hit homers for the Spartans.

Local Physician To Address Pre Meds

Dr. Paul V. Morton, local physician will speak to the Pre-Med society of San Jose State college tomorrow evening at 7:45 in room 210 of the Science building.

Dr. Morton will discuss the subject of medical education and will answer questions relating to the specialized fields of medicine. A former student of San Jose State, Dr. Morton received his degree in medicine at McGill University in Canada. He specialized in internal medicine at the Mayo Brothers clinic in Rochester, New York.

JACKIE POPP, DOT MOODY WILL REPRESENT SJS

Jackie Popp and Dot Moody left yesterday to attend the conference of the Intercollegiate Association of Women students in Minnesota.

Miss Popp and Miss Moody will represent the college's Associated Women's Activities at the conference to which 77 colleges and universities have been invited. The theme of the conference will be the "Role of Associated Women Students in the Post War World."

The delegates will return in approximately 10 days and will give their report to the AWA April 23.

ASB Council Holds First Meeting

The Student Council will hold its first meeting of the spring quarter at 6:45 tonight in the Student Union.

According to ASB President Marty Taylor, the Council will discuss possible dates for final elections this year. A report from the Student Court is also to be on the meeting's agenda, as well as progress reports from the Spardi Gras committee, the La Torre, and the Book Exchange.

Taylor also stated that all organizations should choose their Council representatives for the new quarter and have them at tonight's meeting.

NCAA BOXERS GET WELCOME

Wayne Fontes and Bob Andersen, "among the world's top four college amateur boxers in their class," were given an enthusiastic Spartan welcome-home at Thursday's rally in their honor.

The two NCAA finalists, and PCI champions, were given engraved wallets by Glenn "Tiny" Hartman, in behalf of the student body.

In his presentation speech to a packed assembly in the Little Theater, "Tiny" pointed out that national collegiate boxing is equal in quality to any in the world.

Any man advancing to the national finals is ready to compete with the world's best amateur boxer, Tiny added.

Don Titcomb, rally committee chairman, was master of ceremonies of the program which included entertainers Betty Louthan, Nadine Jensen, Yell Leaders Ken McGill and Bob Johnson, and a three-piece musical combination of Jose Castro, Ernie Chavez, and Carl LeAron.

USF DONS BEAT SPARTAN NETMEN

Bob craft and Harry Roche led the University of San Francisco Dons' tennis squad to a very close 5-4 victory over Coach Ted Mumby's Spartan netmen Saturday morning at Backesto park.

The two squads split the singles matches at three games apiece, but the Dons outlasted the Spartans in the doubles matches as Gene Franco and Don McKenzie lost their match in the third set after putting up a terrific battle. Bob Brokop, McKenzie, and Dave Parnay won their singles matches, while Greg Sargent and Parnay combined to win the only Spartan doubles victory.

Next Thursday afternoon the Spartans will invade the Menlo JC tennis courts.

Book Exchange Will Complete All Work Today

Today is the last day students may purchase or call for books left on deposit with the Student Book Exchange, it was announced by Harold Riddle, president of Alpha Phi Omega.

"To date this quarter's Book Exchange has grossed over \$750 dollars in transactions, Riddle states. "There is no accurate way of measuring how much money students have saved, but a conservative estimate puts the figure at \$200."

Books not called for today will be held for thirty days and the owners given further opportunities to reclaim them. At the end of this period, the book becomes the property of the exchange.

Money realized from the sale of books that become the property of the Student Book Exchange goes into a fund used for service projects around the campus, according to Riddle.

The Book exchange will be open from 9 a.m. to 4:30 p.m. today.

SPARTANS WIN GOLF TITLES

San Jose State college had things pretty much its own way on the golf front over the weekend, with Spartan representatives coping both the Northern California Intercollegiate tourney at Pasatiempo in Santa Cruz, and the Northern California junior finals at Lake Merced country club, San Francisco.

Morgan Fottrell Jr. topped the intercollegiate field at Pasatiempo, defeating Ernest Kelberg of Stanford 6 and 4 in the championship round. Fottrell defeated Warren MacCarty, another Spartan entry, two up in the quarter-finals, and eliminated Bill Ogden of Sacramento college in the semi-finals.

Bob Harris defeated the pride of San Jose high school, Fritz Andrade, 7 and 6 in San Francisco Friday to take the title held last year by San Jose's Eli Bariteau. Harris and Bariteau are the top-ranking men on Coach Bill Hubbard's golf team this season.

STATE MERMEN DUNK AGGIES

San Jose State's mermen dunked the University of California at Davis 66 to 9 in the local pool Friday taking every event.

Starting off with the 300-yard medley relay, the Spartans jumped into an early lead and were never headed by the outclassed Aggies. Ed Rudloff, ace Spartan backstroke, tried for a school and pool record in the 300 yard individual medley event midway in the meet. In the special race, Rudloff swam the identical time he turned in in practice last week to crack Martin Fempes school record in 3:55.01. The old record, set by Wempe was 3:57.8. Rudloff was four minutes and six seconds off the pool record established by Buster Olds of San Mateo junior college in 1934. At the time the record was established it equalled the national intercollegiate mark for the distance.

SPARTAN TRACK TEAM DOWNS JC ALL-STARS

San Jose State College's track team captured all but one first place Saturday afternoon as they piled up a 109 2-3 to 16 1-3 score on the local oval against junior college stars from Marin, Santa Rosa, Vallejo and Yuba.

The Spartans scored clean sweeps in the 100 yard dash, javelin throw, discus throw, broad jump, 220 yard dash, two mile run, and the 120 yard high hurdles.

Eugehe Haynes captured the mile and two mile runs. Little Murry Collins followed Haynes in the mile and Merle Knox and Bob Rogers followed him in that order in the two mile.

Don Bingham was the other double winner for the Spartans, placing first in the 100 yard dash in 9.8 and the 220 in 21.8. Smalley and Bill Rhyne followed him in the century and Smalley and Steve O'Meara took second and third in the 220.

Santa Rosa's Hal Olsen captured the lone first for the invaders, winning the 440 in 52.3. He was followed to the tape by Dick Kauffman and Doug Fluatt.

Woody Linn took first in the shot with a 48 feet 7 1/4 inch toss. Grant Denmark won the discus throw at 144 feet 11 1/2 inches. Bob Likens won the javelin toss with a 176 feet 7 inch heave.

Thelno Knowles won the 880 with ease at 1:56.1. Bob Birmingham took the broadjump. John Passey won the 120 yard high hurdles and Bill Schemmel won the 220 yard low hurdles. Rhyne followed Schemmel to the tape despite a bad spill near the finish.

CLASS TO HEAR SOIL EXPERT

W. G. Scott, director of the Department of Agriculture Soil Conservation district, is the first in a series of speakers to address the Conservation of Natural Resources class today in room S210 at 9:30, according to Dr. Wayne E. Kartchner.

"Men actively engaged in this field have been obtained in an effort to stimulate interest in the daily problems of conservation," said Dr. Kartchner. "Anyone interested may attend these class meetings."

Mr. Scott will discuss the general problems of soil conservation. H. G. Hopper is scheduled to speak April 9 on the types of soil and soil classification. On April 11, Glen Brown, soil conservationist, will talk about the problems of soil conservation as applied to the farmers.

Walter Hunt, supervisor of Santa Clara valley water conservation district, will discuss the problems of water conservation on April 16.

SCHMIDT TO HEAD MP UNIT

Mr. Willard E. Schmidt, head of the Police School, has been appointed nominal commanding officer of the 52 Infantry Division, Corps of the Military Police, announces divisional headquarters.

On April 15, the unit will be inspected by Col. William R. Woodward of the 6th Army. Col. Woodward will inspect the physical setup of the Armory and the records. The unit has state recognition, but has not had official federal recognition, according to Schmidt.

Mosher Returns Soon

Dr. Raymond M. Mosher, Psychology department head, will return from Schenectady, New York, April 14. Commissioned by Dr. T. W. MacQuarrie to interview possible psychology instructors, Dr. Mosher left on his business trip on April 1.

DAY EDITOR—This Issue—DOT McCULLOUGH

WELL DONE

San Jose State college received a lot of good publicity in the mid-west over Easter vacation, and it can be attributed to three fighting men.

Boxing coach Dee Portal and his two national intercollegiate finalists, Wayne Fontes and Bob Andersen, made new friends and renewed old acquaintances in Madison, Wisconsin during the NCAA boxing tournament and San Jose State stock went up.

Better than forty-one thousand fight fans took in the three day meet and if the writing of the sports staff of the Wisconsin State Journal covering the bouts was any indication of the general trend of opinion shared for coach Portal, Fontes and Andersen, they came through in true Spartan fashion.

In a special column dealing with individual reaction to decisions and over-all officiating at the matches, the Sports Editor of the Journal mentioned the fine attitude of De Witt Portal. Too, Portal was a special guest of the "Downtown Seconds" while in Madison. This organization, comprised of business men and boxing enthusiasts from in and around the Wisconsin capital, gave Dee and his men a royal welcome to Madison.

It was altogether fitting and proper that such a representation be given the welcome it deserved upon homecoming.

HAVE YOU HEARD?

By IRENE BRENNAN

Elton S. Stinson, associate professor of chemistry, who has been at State since 1929, married Mrs. Martha Ames in Reno, Nevada on March 14.

Mrs. Stinson is a graduate of San Jose Normal School.

The couple honeymooned in Los Angeles, and will live in San Jose.

Two former students, Bob Witham of Los Altos and Marian Smith of Santa Cruz, were married during spring vacation.

Ruth Fisher, journalism major from Roseville, was married during spring vacation to William McCarthy, a pre-dental major also from Roseville.

The couple will return to their classes this week.

JOB SHOP

Men interested in part-time employment for this quarter may file applications with Miss Roose in the Dean of Men's office. If there is an application on file from last quarter, it is necessary that a renewal be made to indicate that there is still a request for work. Also, to change the time schedule available for part-time work. The following jobs are now available:

College Coop—2 counter men, 5:15-10:30 p.m. 70 cents per hour.

Service Station—Must be experienced, 10 a.m.-1 p.m. Good pay for man with experience.

Clothing Store—Janitorial work, 8-11 a.m., 6 days.

Plumbing Supply—Stock boy, 3 hours in morning. 85 cents per hour.

Auto and Paint—Sanding, scraping, rubbing cars, 4 hours in morning. Pay depends upon applicant.

Industrial Firm—Machine helper, 4:30-8:30 p.m. \$1.00 per hour.

ARNACOMA: Special meeting, 7 p.m., 92 North 5th.

PI OMEGA PI: 7:30, 294 South 8th.

Baton Twirlers

Prospective baton twirlers are invited to attend a meeting today at 12:30 o'clock on the south lawn near the Art building, according to Bob Reid. Reid is planning to resume the course in baton twirling on a non-credit basis this quarter.

The course was cancelled last quarter by the Music department because of an overload of required classes.

For Sale, One Cleaning Brush To Clean You

By D. WECK

A Dietzgen Single Phase Camel's Hair Cleaning Brush is being offered for sale at the A-Phi-O-managed Student Book Exchange at the remarkably low price of \$4.72. Ordinarily, according to Stan Kelker, who is in charge of the sale and care of the brush, a second hand Dietzgen Single Phase Camel's Hair Cleaning Brush is sold, at the very lowest price, at \$10.00.

"To see this little insignificant (1½-inch) brush, you would never conceive of the tremendous amount of work and effort which goes into its scientifically-exact composition and manufacture," said Kelker.

"Oh yes, it has the name 'Maybelline' on the handle, but remember, please, that 'Maybelline' spelled backwards means 'Enilleyam,' which is the name of the province of Slobovia, a Russian satellite state, into which the Camel's hair from the famous Siberian three-humped camel is allowed to be imported," he went on.

Robert Irons, assistant of the "Committee in Charge of the Sale and Care of the Dietzgen Single Phase Camel's Hair Cleaning Brush Being Offered by the Student Book Exchange," (CICOTSA-COTDSPCHCBOE), explained that Slobovia was the only province which the Russian government allowed to export the rare Camel's hair.

THREE-HUMPER

"Thousands of men are sent out each year in search of the rare three-humped camel into the desolate, windswept, wolf-inhabited Russian tundra.

"Due to the very wildness of the Siberian north, the only possible way to go into this country is via the foot route, as the Russian version of the SPCA will not permit the use of horses or draft animals in this dangerous area.

SPEEDY

"But that isn't all, when the animal is found, it must be caught, and the three-humped camel, as you all know, is the fastest camel which walks today. Then, even after catching the camel, the Communist Society for the Safeguarding of Soviet Wild Life and Draught Animals (CSFTSOSWL-ADA), which sends men with the intrepid Slobovian explorers, will only allow one hair to be taken from the tail of each animal, and it takes about three such hairs to make one complete brush.

REPUBLICANS PREPARE FOR '48

The San Jose State college membership committee of the Young Republican organization has started a drive on campus to overcome "Laxness in Republican Ranks" it was announced last week.

A branch of the city of San Jose group, the on-campus GOP committee was appointed to arouse students to the problems at hand, members said.

Active in the group at present are Victor Hugo, vice-president, of the California Young Republicans; Bob Barmettler, parliamentarian of that group; Keith Alward, Jean Grenbeaux, Charles Wall, and Janet Larke.

No Answer From Elizabeth

A letter from an 18 year old English boy who wishes to correspond with a girl his own age has been received by Miss Helen Dimmick, dean of women.

The letter, addressed to the "Principal of the Chief College or School in San Jose," comes from Nottingham, England.

The boy says that for some time he has wanted to write to an American girl but did not know any. He chose San Jose from an atlas.

GRAPPLERS MEET INTERSECTIONAL FOE TONIGHT

San Jose State college Spartan wrestling squad will participate in its first intersectional wrestling meet when it faces the strong Southwestern College of Technology squad from Weatherford, Oklahoma, this evening at eight in the Men's gym, according to Coach Ted Mumby.

The Southwesterners will be a serious threat to the slightly favored Spartan squad, as they are bringing along two champions and a highly experienced group of wrestlers. The champs include Charles Hetrick who took the AAU 128 pound title last year, and Pat Terrace, the promising Oklahoma high school 128 pound title holder.

The Spartans are handicapped seriously by injuries to their top wrestling stars. Bill Rothwell and Co-Captain Ray Miser, both were injured in the recent PCI tourney at Los Angeles. The two wrestlers won titles in the 121 and 155 pound divisions respectively in the Northern California Junior Wrestling tourney.

The blind star athlete, Don Lathrop, will wrestle against Bob Smith in an exhibition match. Other wrestlers probably will be: Leland Chew, George Yee, Keith Saboff, Jim Shouse, Pat Felice, Sam Lawson, Stan Smith, Tom Payne, Bob Cooper, and Hans Weidenhofer.

VARSITY GETS EQUIPMENT

Varsity men will receive their uniforms at the football field this afternoon from three to five. New candidates' equipment will be issued Wednesday.

According to Coach Bob Bronzan, chalk talks for the new candidates will begin the first of next week. There are more than 100 gridders out for spring practice this year.

SOCIAL AFFAIRS: 4:30, Student Union.

TAU DELTA PHI: 12:30, Tower.

New Aqua-Ski Club Formed; Practices At Happy Landing

One of the first aqua-ski clubs in collegiate history has been formed here, according to Joe Whelan, president.

It is the aim of the club to sponsor a team for inter-collegiate competition in the future. At present the nine charter members practice on Clear Lake at Happy Landing. They use a 16-foot 1943 Chris-Craft motor boat now, and hope to have a 140 horse-power 18-foot Century by the end of the month.

Other officers in the newly formed club are June Robertson, secretary; Fred Judd, vice-president; and Wilbur Sullivan, treasurer. Whelan will read the club's constitution at the Student Council meeting tonight.

Main trouble the club has encountered so far, is a shortage of equipment.

PHILLIPS LEADS STATE BATTERS

Hal Phillips, Spartan shortstop, is currently leading the baseball team in batting according to averages released last week. Phillips has 16 hits for 43 trips to the plate to give him an average of .395. Con Maloney is leading the pitching staff with three wins and one defeat. Maloney has done all right in the hitting department as he has 4 hits in 10 tries.

Team averages:

	AB	R	H	Pct.
Phillips	43	12	16	.395
Lopes	34	11	13	.382
Pifferini	30	7	9	.300
Wehner	35	3	10	.286
Malato	21	4	6	.286
Smith	39	9	11	.282
Kakuuchi	15	7	4	.266
Wilson	20	3	5	.250
Krouskup	34	10	7	.201

ANNOUNCEMENT

C.H. Osborne, Managing Owner

Net Profit \$253²⁶

1. In 1946 the owners of Union Oil Company made a total net profit of \$8,867,023. Most of us will admit that almost 9 million dollars is a lot of money. But what many of us fail to consider is that those profit dollars were divided among a lot of people.

2. For Union Oil Company is owned not by 1 man or 2 but by 35,012 individual Americans—enough to fill a good-sized ball park. Divided among that many owners, the net profits actually averaged just \$253.26 per common shareholder.

3. Even this sum wasn't all paid out in dividends. \$4,200,753 was left in the business. So dividends paid out—money that actually went to the owners—averaged just \$133.28 per shareholder, or \$11.11 per month. Wages paid out, plus the cost of retirement and other benefit plans, averaged \$3,522.70 per employee, or \$293.56 per month.

4. In other words, while Union Oil Company looks pretty big from the standpoint of all its oil wells, refineries, service stations, etc., the company is actually owned—and the profits shared—by ordinary Americans like you and your neighbor next door. 70% of these owners live in the West.

5. There are 56 in Spokane, Washington; 10 in Grants Pass, Oregon; 177 in Bakersfield, California, etc. 2,150 are Union Oil employees. The average shareholder owns 133 shares—about \$2,900 worth on today's market. Some own less than this, some more; but the largest owns only about 1% of the total shares outstanding.

6. So it is not the investments of a few millionaires, but the combined savings of thousands of average citizens, that make Union Oil—and most American corporations—possible, and without some such method of providing the necessary tools, American mass production which is based on free competition could never have been accomplished.
